

# Boost Your Immune System with **OceanGold™**

## High Potency Deep-Water Alkoxyglycerol/Squalene Combination

Decades ago, marine biologists discovered an amazing species of deep-water sharks inhabiting non-polluted oceans. These invincible creatures were found to possess a superior immune system resistant to many of the diseases that plague mankind. Further research over the next 20 years unveiled that these remarkable sharks carried up to a gallon or more of golden-hued liver oil, which contained potent Alkoxyglycerols (AKGs) and Squalene. These precious constituents, when ingested orally, activate and enhance the human body's immune defense system by stimulating the formation of antibodies, thus increasing the number of white blood cells, killer cells, and thrombocytes in our blood.

### **ALKOXYGLYCEROL**

AKGs as a natural supplement, have been documented to aid in improving the body's immune defense system. Because of their immune stimulating characteristics, AKGs have been known to minimize colds, flu, chronic infections, enhance wound healing, and improve inflammatory conditions such as asthma, psoriasis and arthritis. AKGs are also a key substance in human mothers breast milk, providing breast-fed babies with the natural protection and immunity against infection during infancy. **OceanGold** contains 30 times the AKGs found in human breast milk.

### **SQUALENE**

Squalene another active component in shark liver oil, has proven effective against yeast, fungus and bacterial infections. Squalene promotes oxygen flow, assists in the maintenance of skin moisture and adjusts the body's metabolism.

### **INGREDIENTS**

Each capsule contains 570 mg of purified deep-water shark liver oil, naturally combining 250 mg of diacylglycerol ethers (D.A.G.E.) yielding 100 mg of alkoxyglycerols with 170 mg of squalene. Contains 125 units of vitamin D and 1250 units of vitamin A.

### **ADDITIONAL FEATURES**

- Ingredients contained in OceanGold are of the highest concentration and purity available
- Formulated via a proprietary process without the use of heat or chemicals producing a superior-grade, full-potency combination
- Electromagnetically balanced, using cutting-edge technology, to ensure purity of content and optimal effectiveness

### **DIRECTIONS FOR USE**

As a dietary supplement: Adults and children 12 years of age or older take 2 to 4 gel caps daily, one-half hour before meals.

### **ITEM CODE: #3000 (120 gel caps)**

Any person with a known allergy to fish products should consult a health-care professional before taking this product.
